### **San Marcos and Escondido Chambers of Commerce**

#### **Host Joint Business Expo**

#### **Inland North County Business Expo**

Held at Busy Westfield North County

**Escondido, CA (4-16-2010)** – The San Marcos and Escondido Chambers of Commerce are pleased to announce their first-ever joint business expo scheduled for Friday, May 7, 2010 at Westfield North County in Escondido.

The mall sees approximately 20,000 consumers on similar days in years past. The mall will be especially busy on this day as it is the Friday before Mother's Day.

The expo is very reasonably priced, offering small businesses the opportunity to showcase without spending a lot of money. "This is a great opportunity for local businesses to expose themselves to many consumers in a relaxed atmosphere offered at a great price," says Joanie Priest, President and CEO of the San Marcos Chamber of Commerce. "We are working with Westfield North County to make this a highly visible event for our exhibitors."

The event offers three levels each at a different price. Space is limited. For more information visit [www.incbusinessexpo.com](http://www.incbusinessexpo.com).

#### Event Information

Friday, May 7, 2010

Noon to 6 pm
