San Marcos Chamber of Commerce Announces Logo Re-design Contest

May 29, 2009 – Re-design the Chamber logo! The San Marcos Chamber of Commerce is conducting a contest to design its new logo. The contest is open to amateurs, students and professional graphic artists. One semi-finalist each will be selected from entries in three categories: high school student, college student and non-student (professional or amateur). The semi-finalists from the high school and college categories will each receive a \$500 scholarship. The winning entry will be selected from the three semi-finalists. Finalist will receive publicity in all Chamber publications including website, newsletter, emails etc as well as a recognition plaque and certificate and in press releases.

Sheila Brown, Chair of the San Marcos Chamber of Commerce Board of Directors says, “A strong product logo is particularly useful and can serve as an instant identification of the core business of the Chamber. The contest is exciting because it is engaging our community in assisting the Chamber with its visual identification.”

Contest entry begins August 15, 2009 and concludes October 15, 2009. The Chamber will announce the winners at the San Marcos Chamber of Commerce’s Annual Member Appreciation Event November 19, 2009.

For more information or to complete an entry form please contact the San Marcos Chamber of Commerce www.sanmarcoschamber.com or 760.744.1270.
